Dear Colleague:

The Minnesota Federation of Music Clubs once again is delighted to announce the availability of scholarships to attend International Music Camp. IMC is located in the picturesque International Peace Gardens which straddle the border between North Dakota and Manitoba. Recipients of these scholarships receive a week of concentrated study at the Camp. Campers are responsible for transportation arrangements and costs and for items of a personal nature.

This summer school of fine arts is considered one of the best and is staffed by only highly skilled artist-educators. Campers from previous years report that each week-long session is filled with memorable instructional and performance opportunities, plus plentiful summertime recreation and chances to make new friends. Previous scholarship winners have often written most enthusiastically of their experiences at IMC.

To be eligible for scholarship consideration, candidates must: (1) be in grade 9–12 at the time the application is submitted (2) receive a Superior rating in the 2011 Festival, (3) complete an application, (4) include two letters of recommendation—one from the applicant's present music teacher in the desired area of study, and (5) include a CD of the applicant performing two scales and two selections of his/her choice. In addition to pianists, applications from student vocalists and band and orchestral instrumentalists are encouraged.

Complete applications must be received **not later than April 20, 2011**, to be eligible for consideration. Please call on me should you have any questions, and feel free to photocopy these informational materials as needed to share with students and other teachers.

Very truly yours,

Mary Angela Strasser
