Anderson, Andrea: Student will alternate between LFO Piano Solo and Piano Solo much like students alternating between duet, trio and quartet. Consecutive Superiors will now be counted between these events per bulletin rule page 8 – alternating events, #3.

Carter, Caleb: Student is playing alternating Violin Concerto and Violin Solo but is working towards a cup in Violin Solo. In this case, he is not working on a Violin Concerto for Concerto points, but rather is using the concerto repertoire in lieu of violin solo repertoire. The event is Violin Solo. Consecutive Superiors are continuous in the Violin Solo Event.

Dover, David: Student is playing a Piano Solo and Piano Concerto and combining these points to increase points in Piano Solo. He is following the rules for combining – 9th grade or higher, Difficult 1 Solo Level or higher. Total points for Piano Concerto are zero – points earned in 2012 are 8 and are added into the piano solo, total points column.
